

At **LOGINPLAST S.L.U** we are fully committed to developing and maintaining a Quality Management System in accordance with UNE-EN ISO 9001: 2015. To this end, we have defined and started the implementation of the following commitments:

- Guarantee compliance with all the requirements applicable to our activity, regarding legality, regulations, normative and customers
- Comply with the quality and food safety requirements of our customers, understanding their needs and expectations, in order to guarantee their full satisfaction.
- Promote continuous staff training for a better performance in all their functions, ensuring that all workers are aware of the importance of acting in accordance with the requirements of the Management System to ensure the quality of the products and services provided.
- Establish a work model focused on the continuous improvement of our processes and our Quality Management System.
- Collaborate with all stakeholders to foster relationships based on trust.
- Continue to promote the circular economy.

The commitments exposed must be known to all the organization's staff, and are available to all interested parties through the LOGINPLAST S.L.U. website.
